CAKE FILLING

Photos are displayed with extra decorations and other cake enhancements available for purchase through the vendor in the home ports.

There is no maximum number of sailing guests. Additional coordinator fees will apply for every 50 guests attending the weddings. Non-sailing guests are not authorised to attend weddings scheduled in the Australian embarkation ports.

AT WHAT TIME DO MY WEDDING GUESTS AND I NEED TO BE AT THE PORT?

Priority boarding is provided for couples being married the day of embarkation, once the ship is cleared by Australian Customs. Arrival time for wedding guests is usually 10:00 a.m. but subject to change. These times are provided with embarkation instructions through our Wedding Department based on the sailing port. You must be at the pier at the time indicated by your Wedding Planner for priority boarding. Please be prompt. Couples getting married later in the cruise will follow general boarding procedures.

WHAT'S INCLUDED IN THE SHIP'S ONBOARD WEDDING CEREMONY SET-UP?

DO YOU PERFORM SAME SEX MARRIAGES?

Yes! We now offer the option of Wedding At Sea. These are symbolic ceremonies – they're not legally binding. Call to inquire about availability. The symbolic ceremony is performed by an assigned shipboard officer or member of management. Couples are required to provide a proof of legal marriage 60 business days prior to sailing.

WHAT IS THE DIFFERENCE BETWEEN THE TYPES OF CARNIVAL WEDDINGS?

An Embarkation Wedding takes place on the ship before your cruise begins. A Wedding At Sea requires that all guests sail with you, since it takes place on the ship, at sea.

What you need to know

PRE-CRUISE TRAVEL ARRANGEMENTS

We strongly recommend couples and their guests to arrive at the homeport city least one day prior to sailing, in order to avoid late flights, traffic, etc. on their wedding day. This is not a requirement – only a suggestion. Since we want this day to be as stress-free as possible, we will work diligently to provide early boarding to our wedding couples and their guests.

PRIORITY CHECK-IN

Priority boarding is provided for couples getting married on the day of embarkation. However, the ship must first be inspected and “cleared” by Australian Customs before anyone may board. Please arrive promptly and pay special attention to your boarding information to ensure you are at the pier in time for priority boarding. You and all of your sailing guests, must arrive together, for them to be allowed priority boarding. All attendees must present a printed boarding pass, and photo identification upon arrival. Couples who are getting married later in the cruise, not at the beginning, will follow general boarding procedures.

Proper travel documentation is required at embarkation and throughout the cruise. Even if a guest has completed registration using Carnival’s online check-in, it is still the responsibility of the traveler to bring all required identification and travel documents. Please refer to information about travel documentation on carnival.com.

WEDDING GUESTS

Please ensure your guests arrive with you and are carrying proper photo identification. You must provide your final guest list, along with any payment for additional guests, no later than 35 business days prior to the cruise. Non-sailing visitors are not authorised to attend shipboard wedding functions in the ports of Sydney and Brisbane. No refunds will be provided for guests that are no-shows. Guests wishing to cancel within a week of sailing will be considered

What you need to know

no-shows, and no refunds will be provided. An additional \$50 processing fee will apply for any change made to the final guest list within 35 business days of the sail date. Absolutely no changes or additions can be made within 10 business days prior to the sailing date.

THIRD PARTY VENDOR SERVICES

Carnival Cruise Line contracts third party vendors to provide wedding service. The third-party vendors are responsible for assisting with the ceremony details including, but not limited to providing the officiant, floral upgrades, obtaining the marriage license (some states require the couple to obtain it), chair rentals and decor (i.e., isle runners, arch, canopies etc.). These services are not included under the Carnival wedding package cost and carry additional fees payable directly to the vendor.

LICENSING REQUIREMENTS

While our wedding vendors can provide assistance or information, all couples are responsible for obtaining their own marriage license. You must obtain a license from the state or country where the wedding will be performed. While most jurisdictions recognise marriages formalised in foreign jurisdictions, not all do. You are responsible for determining whether a wedding performed in a foreign jurisdiction will be recognised in your home jurisdiction. Marriage license applications are paid directly to the vendor within 35 business days of booking the wedding package and are non-refundable. The couple must be at least 18 years of age. Sales taxes and processing fees may apply. When you book your wedding package, a Carnival wedding planner will include further information on obtaining your marriage license.
