

Carnival reveals the winning name of its new action-packed waterslide onboard Carnival Splendor

Hint: It's gripping, green and as fast as lightning!

Sydney, 02 May 2019 — Carnival Cruise Line has selected the winning name for its thrilling new green waterslide that will be featured onboard Carnival Splendor upon her arrival into Australia in December 2019, following a state-wide competition.

Drum roll please – the winning waterslide name is...*Green Lightning!*

In tribute to the popular *Green Thunder* waterslide onboard Carnival Spirit, Carnival challenged Aussies to test their creativity by naming the next exciting waterslide on Carnival Splendor.

Debbie Dye from Cooranbong, NSW beat almost 3000 entries to be crowned victorious with her winning name and most creative entry. Debbie has scored an exclusive invitation to the waterslide's official naming ceremony where she'll be one of the first in Australia to ride down the slide. Plus, Debbie and her family will enjoy a 10-night cruise on Carnival Splendor to visit the breathtaking islands of the South Pacific.

Towering 50 metres above the waterline, the height of the Harbour Bridge, *Green Lightning* will launch with an impressive 11.3-metre free-fall drop as the capsule floor opens, followed by a slingshot curve, twisting and sliding guests into a giant green swirling bowl.

Green Lightning will join its sister slide, the yellow 104 metre long *Twister Waterslide™*, in Carnival Splendor's green and gold WaterWorks, alongside MiniRacer slides, splash toys and tipping buckets, providing fun for the whole family.

"A massive congratulations to Debbie for coming up with such a fantastic name and submitted the best creative entry. *Green Lightning* is not only a subtle nod to the waterslide on Carnival Spirit, but it also perfectly describes how guests will free fall at lightning speed," said Jennifer Vandekreeke, Vice President Carnival Cruise Line Australia.
