

## **CARNIVAL SPLENDOR OFFERS FUN AND SUN WITH ACTION-PACKED SINGAPORE RETURN CRUISES**

**SYDNEY, 2 FEBRUARY 2023** - Carnival Cruise Line has today invited Aussie guests to escape the winter cold and set sail for Singapore as the brand announces two jaw-dropping cruises visiting the tropical jewels of Australia and South East Asia, including a 'first in fleet' port visit to Jakarta.

Visiting Singapore for her upcoming dry dock, Carnival Splendor will depart Sydney in July 2024 on a 15-day cruise, visiting favourite Sunshine State ports including Brisbane, Airlie Beach and Cairns. Guests will then have the opportunity to explore three special destinations rarely visited by Carnival as Splendor sails into beautiful Lombok Island, Indonesia and water-lovers paradise Benoa, Bali before arriving in the Garden City, Singapore.

Following her three-week refresh in Singapore, cruisers will have the chance to be among the first to enjoy the new-and-improved Carnival Splendor as she makes her 16-day journey home to Sydney in late August. With six ports to visit on the two-plus week journey, guests will be spoilt for choice with places to discover across colourful Jakarta, Benoa, and Lombok Island, as well as tropical Darwin, Airlie Beach, and family-favourite Moreton Island. The cruise marks Carnival's first guest sailing to visit Tanjung Priok (Jakarta).

On the new sailings, Carnival Cruise Line Australia VP, Kara Glamore said, "These two new cruises are perfect for those who want to immerse themselves in Carnival fun and experience destinations and sailings that don't come around often. Along with visiting tropical Australian destinations like the Whitsundays and Darwin, guests can enjoy the beaches and temples of Bali, snorkel the coral reefs of Lombok Island and indulge in the melting pot of cuisines and cultures that make up Singapore. On-board,

guests will be able to discover all of the fun activities that Carnival Splendor has to offer and, no doubt, create amazing memories while doing so.”

Carnival will have more to share on Carnival Splendor’s dry dock in the coming months.
